Essex Pedal Power Colchester

The scheme aims to provide a low-cost and sustainable mode of travel, helping Greenstead residents to access employment, education opportunities and key local services.

EPP will provide over 800 FREE high-quality bikes to residents living in eligible postcodes within Greenstead.

Essex Pedal Power Colchester

Everyone who receives a bike will also be provided with a helmet, lock, pump and lights, and can access free learn-to-ride and cycle confidence training sessions with qualified instructors.

The Essex Pedal Power team will also support recipients to maintain their bike.
